

Ms. Costello's 2nd Grade Class

Rules and Consequences

Classroom Rules

1. **Follow Directions.** Throughout the day, you will be asked to do several tasks. You need to be able to follow direction so you can learn.
2. **Raise Your Hand to Speak.** Learning can be fun and exciting, but we must remember to raise our hand to speak. Hearing the right answer can be difficult when everyone is speaking at the same time.
3. **Treat others they way you would like to be treated. BE NICE.** We all want to be treated nicely and with respect. Remember we all have feelings and don't like for them to get hurt.
4. **Keep hands and feet to yourself.** If you are bothering others you are not listening and not learning which means they aren't listening and aren't learning.
5. **Come to class prepared.** Missing materials makes it difficult to learn. Come to class ready to learn.
